Salary \$80,089.00 per annum

Mount Isa City Council are collecting expressions of interest for a **Diesel Motor Mechanic**. The purpose of the role is responsible for the maintenance of Council's fleet, plant and equipment. This role maintains, tests and repairs diesel motors and the mechanical parts of trucks, buses and other heavy vehicles such as transmissions, suspension, steering and brakes.

The successful applicant will have:

- Minimum trade qualifications as Diesel Fitter or equivalent (e.g., AQF Certificate III or IV);
- Diesel Motor Mechanic trade qualified with a minimum of 3 years' relevant experience plus strong trade experience including a sound knowledge in the maintenance of small, medium, heavy plant.
- Current "C" class manual Driver's Licence;
- Must hold a Queensland General Safety Induction (Construction Industry) White Card
- Current "HR" and forklift class manual Driver's Licence and multiple plant operating tickets is desirable or willing to acquire.
- Working safely at heights is desirable;
- Confined Space is desirable;
- Proficient in the application of mechanical/technical skills in the mechanical and diesel fitting trades;
- Experience with hydraulics;
- Experience with various fleet items;
- Experience with auto electrics;
- High level of confidentiality and ability to exercise discretion in a professional manner essential;
- Well-developed interpersonal communication skills with a good customer service aptitude;
- A team approach and the ability to effectively operate in a multi-faceted unit where multi-tasking is often required to achieve outcomes;
- Self-motivated with strong time management, problem solving and decision making abilities;
- Sound knowledge of heavy plant such as loaders, graders, heavy trucks, backhoes as well as lighter plant such as tractors, mowers and road construction plant operation and maintenance;
- Understanding of Workshop/Mechanical environment;
- Self-motivated with a continuous improvement attitude;

Key responsibilities:

- Assist with repairs and maintenance of Council vehicle, mobile plant, and other Council fleet and non-fleet mechanical assets;
- Undertake preventative maintenance to Councils' plant and equipment;
- Timely and effective completion of work, meeting all trade industry standards and quality;
- Correctly and efficiently use all tools required by the trade;
- Maintain tools and workshop equipment in working order;
- Effective planning and organisation of individual repair work;
- Inspect vehicles to analyse faults and assess required work or repair on engines and parts including heavy vehicle compression ignition engines or diesel fuel injection systems;
- Test mechanical components of vehicles and machinery, manually or utilising computers, in a timely and effective manner to ensure optimal performance and safe operation;

- Remove and disassemble engines, transmissions, steering assemblies, clutch systems, cooling systems, hydraulic systems, exhaust systems, diesel fuel injection systems or other parts, to check mechanical function, state of repair, or need for replacement;
- Repair or replace fatigued and defective components, and reassemble engines and mechanical parts as per manuals and operational requirements;
- Carry out regular service and maintenance of diesel engines and machinery, including tune-ups and oil changes, in accordance with relevant emission standards;
- Develop and implement diagnostic testing strategies;
- Effective and appropriate housekeeping of the worksite;
- Assist in trade training programs for apprentices;
- Travel to remote locations to carry out duties;
- Provide and maintain high level of confidentiality;
- Actively contribute to the team and promote best practice;
- Maintain professional standards and integrity;
- Contribute to the promotion of the image of Council and the maximisation of good public relations;
- Out of ordinary hours work may be required;
- You are required to follow any other lawful and reasonable directives provided by your Supervisor or more senior officer;

You are required to provide written responses to the Key Selection Criteria which is located in the back of the position description.

Applicants will be required to undertake and pass a pre-employment medical.

The benefits of working for Local Government:

Council offers excellent working conditions, generous employer funded superannuation benefits (up to 12%). The position is full-time. This position attracts 5 weeks paid annual leave per year and all personal protective equipment, including work clothes, is provided.

Applications/Enquiries:

You will require the application form and Position Description to effectively respond to the Key Selection Criteria. Applications should be supported by full resumes, a completed application form and must address the Key Selection Criteria as detailed on the Position Description.
