## 1. PURPOSE

To satisfy Mount Isa City Council's ("Council") statutory obligations under the *Local Government Act 2009* and *Local Government Regulation 2012*, and the *Statutory Bodies Financial Arrangements Act 1982* and *Statutory Bodies Financial Arrangements Regulation 2007*. This policy prescribes the circumstances and terms on which Council may invest its funds.

The Queensland *Local Government Regulation 2012* Chapter 5 Section 191 requires Council to prepare and adopt an investment policy. The investment policy must outline Council's investment objectives and overall risk philosophy; and its procedures for achieving the goals related to investment as stated in the policy.

It is Council's intention that all funds not immediately required for financial commitments be invested and that the investment vehicles used maximise Council earnings when taking into account counterparty, market, and liquidity risks.

This policy is intended to provide Council's Finance staff with an investment framework within which to place Council investments to achieve competitive returns whilst adequately managing risk and ensuring funds are available to meet Council's short-term cash requirements.

## 2. COMMENCEMENT

The Investment Policy will take effect on 01 July 2023.

## 3. POLICY CLAUSES

Council's delegated officers are to avoid any transaction that might harm confidence in Mount Isa City Council.

In priority, the order of investment activities shall be preservation of capital, liquidity and return.

## **8. RECORD KEEPING**

Section 48 of the *Statutory Bodies Financial Arrangements Act 1982* states that:

*"A security, safe custody acknowledgment or other document evidencing title accepted, guaranteed or issued for an investment arrangement must be held by the statutory body or in another way approved by the Treasurer".*

This is Council's current practice and will be continued as part of the investment procedures. The procedure for the investment of Council funds is to be documented and followed at all times.
