Policy Statement

The Mount Isa City Council Procurement Policy will take effect following its adoption at the **Ordinary Meeting on 25 November 2020**.

Intent

To satisfy Council's statutory obligations under Section 198 of the *Local Government Regulation 2012* and to establish Council's intent with respect to procurement. This document sets out Council's policy for the procurement of goods and services, construction and services contracts.

Policy Objectives

Council's procurement activities aim to achieve advantageous procurement outcomes by:

- Promoting value for money with probity and accountability; and
- Advancing Council's economic, social and environmental policies; and
- Providing reasonable opportunity for competitive local business that comply with relevant legislation to supply to Council; and
- Promoting compliance with relevant legislation.

In accordance with Section 198 of the *Local Government Regulation 2012*, this policy incorporates relevant requirements regarding the procurement of goods and services and the carrying out of the sound contracting principles.

Definitions

Medium-sized contract is a contract worth \$15,000 (GST exclusive) or more but less than \$200,000 (GST exclusive).

Large-sized contract is an individual contract worth \$200,000 (GST exclusive) or more which can extend beyond one financial year.

Valuable non-current asset contract is a contract for the disposal of a valuable non-current asset.

Valuable non-current asset is:

- a. Land; or
- b. Another non-current asset that has an apparent value that is equal to or more than a limit set by the local government. Refer to Table 2 Asset Thresholds.

Government agency includes:

- a. The State, a government entity, a corporatised business entity, or another local government; or
- b. The Australian Federal government or an entity of the Australian Government; or
- c. A local government of another State.

Pre-qualified supplier is a supplier who has been assessed as having the financial, technical, and managerial capability to perform on time and within agreed requirements. **Quotes are still required.**

Preferred supplier arrangement (PSA) means an arrangement set up by Council to allow contracts to be entered into with one or more suppliers (the preferred suppliers) for the supply of goods or services. The PSA is a contract for a period, usually 12 months with options for a further two periods of 12 months each. The contract locks in the rates for the goods and services for the first 12 months. The review after 12 months includes the supplier's performance and, if considered suitable for the continuing of the arrangement, an opportunity for the supplier to adjust their rates is offered. This is usually based on the CPI unless the supplier can justify a larger increase.

Approved contractor is a person or company who Council considers to be appropriately qualified to provide the services. **Quotes are still required.**

Procurement Initiation Form (PIF) -is required for all procurements equal to or greater than \$15,000 GST exclusive. This is the expenditure level where the Local Government Regulations 2012 apply. Chapter 5; 'Financial Planning and Accountability'. The PIF identifies the requirement for the RFQ/RFT, budget, funding, justification, evaluation criteria and is approved by the relevant authority responsible for the budget. The PIF with accompanying documents (scope/specification/brief/drawings/pricing schedule, and other supporting information), is forwarded to procurement for actioning by the user department.

Request for Quotation (RFQ) – a request for quotation is used for medium-sized contracts and is by invitation unless an exception applies.

Request for Tender (RFT) – a request for tender is used for large-sized contracts and is by public tender unless an exception applies.

Council Resolution – A council decision passed by the majority of Councillors at an ordinary meeting of Council.

REASONS ONLY ONE OR NO QUOTES REQUIRED

OEM	Original Equipment Manufacturer	Only to be used if parts are purchased that only one Creditor can supply so unable to get other quotes.
SS	Sole Supplier	No other supplier in Mount Isa can provide this service i.e. QH2O, MIWB, Telstra

Principles

Officers must have regard to the following sound contracting principles when procuring goods and services on behalf of Council:

(a) Value for Money

Council must harness its purchasing power to achieve the best value for money. The concept of value for money is not restricted to price alone. The value for money assessment must include consideration of:

- i. Contribution to the advancement of Council's priorities;
- ii. Fitness for purpose, quality, services and support; and whole-of-life costs including costs of acquiring, using and maintaining and disposal;
- iii. Internal administration costs;
- iv. Technical compliance issues;
- v. Risk exposure;
- vi. The value of any associated environmental benefits; and
- vii. Advantages of local knowledge, networks and relationships, availability and access to after sales and support.

(b) Open and Effective Competition

Purchasing should be open and result in effective competition in the provision of goods and services. Council must give fair and equitable consideration to all prospective suppliers.

(c) The Development of Competitive Local Business and Industry

Council encourages the development of competitive local businesses within its local government area.

In accordance with Section 104(3)(c) of the *Local Government Act 2009*, Council wishes to pursue the principle of development of competitive local business and industry as part of the process of making its purchasing decisions.

(d) Environmental Protection

Council promotes environmental protection through its purchasing procedures. In undertaking any purchasing activities Council will:

- i. Promote the purchase of environmentally friendly goods and services that satisfy value for money criteria; and
- ii. Foster the development of products and processes of low environmental and climatic impact; and
- iii. Provide an example to business, industry and the community by promoting the use of climatically and environmentally friendly goods and services; and
- iv. Encourage environmentally responsible activities.

(e) Ethical Behaviour and Fair Dealing

Council officers involved in purchasing are to behave with impartiality, fairness, independence, openness, integrity and professionalism in their discussions and negotiations with suppliers and their representatives.

Officers are to facilitate the ethical procurement of goods and services for Council in the most timely and cost effective manner and ensure that all procurement activities are within Council's legal and statutory obligations.

Administration

The process and procedures to be used for entering into contracts for the acquisition of goods and services are as follows:

- (a) maintaining confidentiality and respect for commercial-in-confidence material;
- (b) maintaining appropriate records available for inspection at any time;
- (c) inviting quotations from suppliers that can meet Council's requirements at competitive prices;
- (d) ensuring selection and appointment of contractors is evidenced by the issuing of a letter of appointment or purchase order;
- (e) purchase orders should be generated for all purchases of goods and services prior to engaging the supplier (inclusive of GST) other than:
 - petty cash and credit card transactions; or
 - long-term supply contracts (Ergon, Telstra, insurance premiums, Sunwater, MIWB, DNRME – valuation roll, and others of a similar nature.); or
 - regular monthly accounts from small local suppliers (newsagency etc.); or
 - payment of taxes and government charges (state fire levy, vehicle registration etc.); or
 - direct payments and fees (bank charges, council rates and charges etc).

Goods and Services Tax

All values quoted in this policy are exclusive of GST unless stated otherwise

Optimisation of Value in Procurement

In order to optimise value in procurement, where applicable, Council will establish annualised or bi-annual purchasing arrangements. This is generally to occur where multiple similar purchases are likely to be required, the total value of goods for the financial year is expected to exceed \$100,000, and the cost of obtaining quotes for each purchase is high in value of time and effort. This may include entering into arrangements for, ***preferred suppliers***.

An **approved contractor list** may be compiled after inviting expressions of interest from suitably qualified persons and assessing those expressions on the basis of sound contracting principles as required under Section 231 of the *Local Government Regulation 2012*.

A **pre-qualified supplier register** may be compiled only after inviting tenders in accordance with Section 232 of the *Local Government Regulation 2012*.

A **preferred supplier arrangement** may be enacted only after inviting tenders in accordance with Section 233 of the *Local Government Regulation 2012*.

Purchasing Arrangements

Where the value of the contractual arrangement with the supplier in a financial year or over the proposed term of the contract (including any initial term and options to extend) is, or is expected to be:

Table 1: Purchasing Thresholds

\$200,000 and above	<ul style="list-style-type: none"> • Council cannot enter into a large-sized contract unless Council first invites written tenders for the contract in accordance with the requirements of Section 228 <i>Local Government Regulation 2012</i>. • Under Section 228 <i>Local Government Regulation 2012</i> Council must either invite written tenders or invite expressions of interest before considering whether to invite written tenders. • There are limited exceptions to this requirement, and they are listed below in the section titled exceptions.

When a staff member believes, or reasonably should believe, a quote does not represent fair value, at least one additional quote must be obtained.

Before a purchase is authorised an authoriser must ensure there are sufficient funds available in an approved budget or be satisfied the purchase is for a genuine emergency.

Acceptance of Quotations

There is no requirement to accept the lowest quotation, however where a staff member chooses a quotation other than the lowest quotation, they must provide a brief written justification which must be kept with the order.

Tender Process

Section 228 of the *Local Government Regulation 2012* sets out how Council must invite written tenders or invite expressions of interest for:

- (a) A large-sized contract; or
- (b) Disposal of a valuable non-current asset contract

An invitation for written tenders/expressions of interest must:

- (a) be made by an advertisement in a newspaper that circulates generally in the local government area; and
- (b) allow written tenders / expressions of interest to be submitted to Council for at least 21 days after the advertisement is published.

Records of tenders / expressions of interest and the evaluation process must be kept on file.

Exceptions

None of the exceptions below remove the need to issue a purchase order or a letter of acceptance authorised by an officer with a sufficiently high purchasing limit to cover the cost of the purchase.

Chapter 6 Part 3 Division 3 of the Local Government Regulation 2012 identifies exceptions for medium and large-sized contracts. If one of the exceptions applies, Council may enter into:

- (a) a medium-sized contractual arrangement without first inviting multiple written quotes; or
- (b) a large-sized contractual arrangement without first inviting written tenders.

The exceptions are:

- (a) the preparations of a quote or tender consideration plan in accordance with the requirements of Section 230 of the *Local Government Regulation 2012*; and
- (b) where a preferred supplier arrangement exists containing a schedule of rates fixed for the term nominated in the arrangement; and
- (c) entering into a contract under a **Local Government Arrangement (LGA)** established in accordance with the requirements of Section 234 of the *Regulation 2012* e.g. LocalBuy; and
- (d) Section 235 Local Government Regulations 2012 entering into a medium-sized contract or a large-sized contract if:
 - (i) Council resolves that it is satisfied that there is only one supplier who is reasonably available; or
 - (ii) Council resolves that, because of the specialised or confidential nature of the services that are sought, it would be impractical or disadvantageous to invite quotes or tenders; or
 - (i) A genuine emergency exists; or
 - (ii) The contract is for purchase of goods and is made by auction; or
 - (iii) The contract is for the purchase of second-hand goods; or
 - (iv) The contract is made with, or under an arrangement with, a government agency.

A range of Local Government Arrangements have been put in place by LocalBuy. When assessing the most effective method of obtaining goods and/or services, Council officers should consider the administrative costs to Council of seeking tenders or quotations independently, and the reduction of these costs which can be achieved by use of Local Buy arrangements.

In the event that a Local Government Arrangement is used, the Local Buy contract number must be stated on the order requisition for entering onto Council's Purchase Order.

Valuable Non-Current Asset Contracts

Section 227 of the *Local Government Regulation 2012* provides that Council cannot enter into a contract for the sale of a valuable non-current asset unless it first:

- (a) invites written tenders for the contract under Section 228 of the *Local Government Regulation 2012*; or
- (b) offers the non-current asset for sale by auction.

There are a range of exceptions to this set out in Section 236 *Local Government Regulation 2012*.

In addition, all non-current assets that have been identified as being obsolete or surplus to Council requirements, and with a written down value less than the Asset Thresholds in Table 2 are to be offered for sale by inviting written quotations or via public auction.

The invitation for written quotation for the sale of non-current assets must:

- (a) be made by an advertisement in the newspaper that circulates generally in the local government area; and
- (b) allow written quotes to be given to Council for at least 21 days after the advertisement is published.
