- (1) The chief executive may, by gazette notice, appoint—
 - (a) a registrar; and

- (1) The following persons may start proceedings for a declaration about whether a development application is properly made—
 - (a) the applicant;

- (2) However, a person may not seek a declaration under this section about whether a development application is accompanied by the written consent of the owner of the premises to the application.
- (3) The proceedings must be started by—
 - (a) the applicant within 20 business days after receiving notice from the assessment manager, under the

- development assessment rules, that the development application is not properly made; or

 - (a) the approval is for a material change of use of premises that involves the use of a classified building; and
 - (b) the responsible entity for the change application is not the P&E Court.
- (2) The applicant, or responsible entity, for the change application may start proceedings for a declaration about whether the proposed change to the approval is a minor change.
- (3) The registrar must, within 10 business days after the proceedings start, give notice of the proceedings to the respondent as a party to the proceedings.
- (4) In this section—
respondent means—
 - (a) if the applicant started the proceedings—the responsible entity; or

- (b) if the responsible entity started the proceedings—the applicant.

Division 3 Tribunal proceedings for appeals and declarations

 - (a) the registrar receives a document purporting to start tribunal proceedings, accompanied by the required fee; and
 - (b) the document does not comply with any requirement under this Act for validly starting the proceedings.
- (2) The chief executive must consider the document and decide whether or not it is reasonable in the circumstances to excuse the noncompliance (because it would not cause substantial injustice in the proceedings, for example).
- (3) If the chief executive decides not to excuse the noncompliance, the chief executive must give a notice stating that the document is of no effect, because of the noncompliance, to the person who filed the document.

- (4) The chief executive must give the notice within 10 business days after the document is given to the chief executive.
- (5) If the chief executive does excuse the noncompliance, the chief executive may act under section 242 as if the noncompliance had not happened.

244 Ending tribunal proceedings or establishing new tribunal

Examples of when it is not reasonably practicable to establish a tribunal—

 - the referees who are available will not be able to decide the proceedings in a timely way
- (2) If the chief executive considers a tribunal established for tribunal proceedings—
 - (a) does not have the expertise to hear or decide the proceedings; or
 - (b) is not able to make a decision for proceedings (because of a tribunal member's conflict of interest, for example);the chief executive may decide to suspend the proceedings and establish another tribunal, complying with section 242(c), to hear or re-hear the proceedings.
 - (3) However, the chief executive may instead decide to end the proceedings if the chief executive considers it is not reasonably practicable to establish another tribunal to hear or re-hear the proceedings.
 - (4) If the chief executive makes a decision under subsection (1) or (3), the chief executive must give a decision notice about the decision to the parties to the proceedings.
 - (5) Any period for starting proceedings in the P&E Court, for the matter that is the subject of the tribunal proceedings, starts

again when the chief executive gives the decision notice to the party who started the proceedings.

- (6) The decision notice must state the effect of subsection (5).

- (1) The registrar may, at any time, ask a person to give the registrar any information that the registrar reasonably requires for the proceedings.
