Dear Mr Mackay,

Request for Further Extension of Information Request Response Period
Development Application P18-22 for a Material Change of Use for an Unmanned Refuelling
Facility at 3 Kolongo Crescent, Mount Isa

I refer to your email dated 21 March 2025, seeking a further five week extension of the Information Request Response Period for Development Application P18-22 for a Material Change of Use for an Unmanned Refuelling Facility at 3 Kolongo Crescent, Mount Isa, over land described as Lots 41 and 43 on plan MPH40048.

I understand that the developer is currently finalising discussions with the landowner regarding formalising tenure over Lot 41 on plan MPH40048. To enable these discussions to be concluded and a response prepared to Council's Information Request, I can confirm that Council agrees to a further five week extension of the Information Request response period. A response will now be required no later than **28 April 2025**.

I trust the above is of assistance. Should you have any further queries, please contact Council's Development and Land Use section on (07) 4747 3200.

Yours faithfully,

Tim Rose
