Chapter 4 Rates and charges

[s 141]

141 When procedures for selling land must start and end

- (1) This section applies if—
 - (a) a local government decides to sell land under this subdivision for overdue rates and charges and gives the registered owner of the land a notice of intention to sell the land; and
 - (b) the overdue rates or charges are not paid in full within—
 - (i) generally—3 months after the local government gives the notice of intention to sell the land; or
 - (ii) if the rates or charges were levied on a mining claim—1 month after the local government gives the notice of intention to sell the land.
- (2) The local government must start the procedures mentioned in section 142(4) for selling the land within 6 months after the local government gives the notice of intention to sell the land to the registered owner of the land.
- (3) The local government must end the procedures at the earliest of the following—
 - (a) the local government is paid—
 - (i) the amount of the overdue rates or charges; and

- (1) This section sets out the procedures that a local government must follow when selling land for overdue rates or charges.
- (2) The local government must first offer the land for sale by auction.

Examples of other ways to publish the sales notice—
